NCOHF Releases 2011 Annual Report

(Charlotte, NC – November 03, 2011) National Children's Oral Health Foundation: *America's Toothfairy*[®] (NCOHF) is pleased to announce the 2011 Annual Report is available online at <http://www.ncohf.org/about/annual-report>. This comprehensive annual report highlights child-saving programs making an impact on communities throughout the country and provides detailed financial information on the support provided to members of the growing NCOHF Affiliate network.

"NCOHF strives to give our nation's most vulnerable children the building blocks they need for happy, healthy futures. Thanks to the tremendous support provided by our Corporate Underwriters and contributors, NCOHF continues to ensure delivery of vital oral health educational, preventive and treatment services to a growing number of underserved children," said Fern Ingber, NCOHF President and CEO.

Founded in 2006 to address the growing epidemic of pediatric dental disease, NCOHF supports innovative oral health programming and delivery of comprehensive care to at-risk children through a national Affiliate network of non-profit community-based oral health clinics and outreach programs. In five years, NCOHF has delivered nearly \$10 million in direct funding, donated dental products and educational resources to the growing Affiliate network through the generosity of dedicated supporters enabling Affiliates to reach over 1 million children with vital preventive, restorative, and educational oral health services.

About National Children's Oral Health Foundation: *America's Toothfairy* (NCOHF)

National Children's Oral Health Foundation: *America's Toothfairy*[®] (NCOHF) is a 501(c)(3) nonprofit, dedicated to raising awareness of the #1 chronic childhood illness: pediatric dental disease, facilitating delivery of comprehensive pediatric oral health services, and eliminating this preventable disease from future generations. NCOHF draws on vast national resources to secure and distribute product and financial donations along with innovative preventive programs to a growing network of not-for-profit university and community based dental clinics, health centers, and mobile programs throughout America.
