“NCOHF: America's Toothfairy has touched the lives of 1 Million children by delivering \$5 Million in direct support to quality non-profit children's clinical programs. We could not have accomplished so much without the dedication and leadership of these highly regarded leaders working together to aggressively to respond to the silent epidemic of pediatric oral disease”, said Fern Ingber, President and CEO.

About National Children's Oral Health Foundation (NCOHF)

National Children's Oral Health Foundation: America's Toothfairy (NCOHF) is a 501(c)(3) nonprofit, dedicated to raising awareness of the #1 chronic childhood illness: pediatric dental disease, facilitating delivery of comprehensive pediatric oral health services, and eliminating this preventable disease from future generations. NCOHF draws on vast national resources to

secure and distribute product and financial donations along with innovative preventive programs to a growing network of not-for-profit community-based universities, health centers, dental clinics, and mobile programs throughout America.
