

Potential Smile Drive Recipients

Smile Drive hosts can choose a local non-profit organization of their choice to receive their Smile Drive donations. If you are unsure of where to donate your collected products, here are some potential recipients:

- Afterschool Program Centers
- America's ToothFairy Affiliates
- Boys & Girls Clubs
- Churches
- Food banks
- Low-income schools
- Non-profit dental clinics
- Non-profit organizations reaching underserved children or youth
- Shelters
- Subsidized Childcare Centers
- Summer Food Nutrition Program Sites
- YMCA
- YWCA

If you still are unable to find a recipient, you can mail your Smile Drive products to America's ToothFairy at the address below, or contact youth@ncohf.org or call 800-559-9838 and we will help match you with a recipient. Thank you for participating in the Smile Drive!
